

ROCKY TRAIL MTB GRAND PRIX SERIES 2010

SERIES POINTS – OVERVIEW

Rules for racing the series:

- GP8 racers can also collect series points in the second round, which is only a GP4 Hour race; the GP4 series points will be added to their GP8 overall score.
- GP4 racers can "upgrade" to the GP8 format (for rounds 3 and 4) and can take any collected GP4 points with them.
- To qualify for overall series points and wins, riders need to complete at least 2 races in their category.
- You must race under the same team name in all the races (so we can allocate correct points).
- For teams of 2 or 3, at least one original team member must be in all races under the same team name.
